Subject: trials next week

Just a reminder to all of you that I will be on vacation from Oct. 3rd to Oct. 7th and will therefore be unavailable to testify for you in your respective cases. If any of your cases are going to be dismissed due to my unavailability, either Jim Hanchett or Rebecca Pontes will be available to testify in my absence (after reviewing my notes and the data for the submission(s), and then making their own conclusions of what the substance is). You can reach both Jim and Rebecca at the lab (413-545-2607). Thank you.
